IMPORTANT INSTRUCTIONS

- 1 A student has to choose the same Major and Minor Course as in the three-year programme (In the previous college).
- 2 Check the college website for the syllabi.
- 3 Visit the college website for online admission.
- 4 Forms available in the college office for offline admission.

BENEFITS OF THE 4TH YEAR DEGREE

- ★ The degree "With Honours" will be given only to those who complete the 4th year.
- ★ After completing the Four-Year Degree with Honours, students can join One Year Master Degree Programme in any Universities offering it.

- Students can also appear for National Eligibility Test (NET) after completing the Four-Year Degree, provided they have a minimum of 75% aggregate marks (or equivalent grade). A 5% relaxation is available for SC/ST/OBC/EWS/PwD candidates. They can appear in any subject, regardless of their bachelor's discipline.

- This NET is applicable only for admission to PhD not for Teaching in College or Universities. To be eligible for teaching, a student has to complete the Master Degree or PhD.
