Provide more books

Provide more books

No need

Library need to all years question paper

Proper arrangements of question paper. And students should maintain silence there and there should be some books like which we cannot find easily. Some topics related to zoology was not there.

Competitive books

Yes.

More copies of books so that many students can access.

Keep new books

More books

More copies of same book

General knowledge books

The library should consist books related to the courses which is being taught in the class.

Silence

In library they should keep books related to our honours subjects

Computer and internet facilities

Current information

I'm not sure

E books

Novel

Even the books that are prescribed to enrich our knowledge is inadequate, they should include more books in the library

Internet sources or proper wifi facility..

Phone

The prescribed books are not there in the library. In my opinion, having more books relating to our course will be of great help.

Good..

The Library should have more on books on the 6th semester English course

For me there should be books of different author n also should be available for all

Social media

Update books and computers network is bad for use so i think these two should be improved... Other than that books which are related to art music and books which are on improving life, self help books, mental health related books etc should also be put in library because that will strike interest in students to learn something outside of there regular course and thus learn more about life.

Books related to civil services and state service, general knowledge book, wifi connection is must need

That wifi connection is poor so need an improvement on that, the computers cannot be used because of the network issuse and they should update the new versions of the books available in the library and should put up new relevant and helpful materials as well

Printing of past year questions

Previous years question papers on all courses. At least of the past 3years or so

Number of books should be more as number of students are more.

More availability of books which are required for every semester

The books are enough

Computer with internet facility

A numerical problem books

To put something related our culture ..

Newspapers, stories

Have to more books relating to each unit of subjects of every department

Full syllabus of every subjects and every year

Make more space as it's not big and spacious enough for the students to go around.

Internet sites

Questions paper

Magazines

The library is too small and books also should be more in no.

Maybe they can have a digital library

New books

Includes more books

No suggestions

I think more books on competitive exam

E-Library with soft copy notes.

besides books ,pyqs & solved answers should be available .

More number of quiz books and general knowledge books

Entrance exam reference

More number of general books

Novels, comic books etc

Novels and comic books.

More books on sociology

None

There is few book related to tourism it is difficult as a tourism student

BTTM books related should be there

To provide more book related with tourism course

More bttm books

Wifi

I don't have an idea

Videos to understand better

More quite environment

More space

Anything that's related to books on real life experiences

Sometimes face difficulty in understanding the topics teacher's should recommend books on that particular topic so that one cannot gets confused.

No answer

I'm just a student but I just wanted to share my opinion, is that before teaching the syllabus supply the notes first because if we have the notes in our hand then it's incredibly easy to understand to listen to any topics.

I love the way it is ❤️ .

Provide collaboration and socialization opportunities

Everything is well organised and managed so I don't have any other comments related to it

Life skills... Like interpersonal skills personal and thinking skills.

I'm not sure

Build a personal connection with students. Motivate the students.Help students maintain focus. ... Create a sense of community. ... Make discussions meaningful. ... Increase student engagement. ... Address equity issues Identify and support struggling students.

Somewhat stressful but very good teaching

If fine

I don't have any comments

The course is overall difficult to learn but interesting when understand but sometimes the teacher cant interpret

So far the department and the teachers have been very good.

A safe space to question related to the course

Please take Class according to time give in the routine

By bringing up on what the book is related to especially by giving some examples or other works in which a student will learn through life experiences .

To solve the question paper of past years question paper

If it helps ,our teachers can make lesson plan so that the time duration for the even semester can be managed and be less challenging for both.

Though it is difficult it is well worth it i believe. The 2nd sem had approximately 3 months to complete 5 novels, which was quite difficult as i was new to reading.

Good resources

weekly tests

Better explanations of the topics are required by some specific teachers.

Nil

Its fine

I don't have any comments or suggestions to offer

no idea

Eng department teacher are the best.

We are provided more books with our own department easily accessible and deeply grateful for this.

I have no suggestions to give. The department is very good and teachers are very dedicating.

Sometimes they become rude while guiding to students.

Noo

Regarding College fees sometimes i don't receive any messages

We have to wait for soo long in the line (by bunking our classes) sometimes only just to take one piece of paper. Just like last time when i use to wait in the line everyday during off period to take payment receipt from office to pay my semester fee but also i didn't got my receipt in time because of which i had to pay extra fine also. And when i tried to ask the reason behind all this long line of students outside office room one kong told me their are only few staffs in the office because of which they have soo many works also to do. So i want to suggest to keep a proper no. Of staffs in office so next time students wouldn't face this linds of silly problems. Thank you.

I never faced any problem

Sometimes when we need any thing they used to say to collect other day which is again not good since what if we need that notes on that day itself

So difficult to approach

Yes, when I wanted to issue books but the librarian said that meeting will be held in the library so I can't issue books.

Yes , not able to find the book which I want

One day i was in search of one book which was related to my course, but i didn't find.

We didn't find books their related to our topics

We have to wait for hours and they only serve there own tribal people first sometimes.

Never faced any problem

This is regarding the availability of books in the library. They are insufficient. It will be better if they include more books for the betterment of the students.

Library staff is not good at all...so lazy irresponsible always excuses not available at all...so many rules which not necessary at all...timing is bad..not helpful to students ...so many problems

X

Inadequate books

There were times when we didn't get books which was needed

Yes . They don't do there work on time , sometimes they say us to come later n also the price of Xerox should be reasonable

The fact that our routine is jam pack we usually don't even get time to go and get material from the library since the library close early.

Yes I found it really difficult to find sufficient materials for studying and the people who xerox their are not really helpful in the sense that we would be waiting for a long period of time to get the xerox materials but they would always be like come later just because he has other stuff to do when im actuality he is just sitting there doing nothing.

No internet

Not finding books and insufficient the number of books.

The Xerox machine was mostly occupied.Sometimes we need materials on time which becomes difficult

I haven't face problem

Could get the xerox notes ask to take by our subject teachers

I suggest the opening of the library a little earlier.

Xerox is too costly

No i have not faced any problem in the library

There is few books related to tourism as a tourism student i find myself in a problem especially doing assignment

Some students were constantly chattering

Always open late and sometime no electricity

Sometime it's too noisy and no management of it.

Some books are not in good condition.

Being a morning shift student, I can't go to the library all the time as most of the time it's closed

No problem whatsoever

I still have not been able to get a library card since the librarian was always on vacation.

No Suggestion

They should again fixed timing for xerox and all and avoid crowding

Library n office people should be friendly and should be easy to approach

Regarding Library, I suggest that issuing of books should not be restricted on Saturday since during Saturday most of students gets over early and get time to go to library.

Please open the office, library, in the morning, because there are so many students who had taken the morning shift and day students are having so many facilities even the college hostel also didn't take morning, shift students

Keep more copies

The college must add some more courses,library should have more books

Just that the library should have more books which i have already meant above.

Be organised

They should improve the library facility

Library should help us when we say it's urgent they should understand our problem sometimes we are in hurry we miss our classes sometimes waiting in the library.

Better communication

The staffs in the office should be punctual and it will be better if they include more staffs and also to extend the timings in the office and in the library they should introduce more books.

Library should be maintain properly ...rules should be change and please concern the students before changing the rules of the library.

X

Some of the office staff should be punctual

The Library should have books of 6th sem English department books

There should be two person for xeroxing the materials as there are many students waiting for the materials and if the students are more they say to come later n it's not possible for us to go everytime because we get only one break during the lunch Time

No i don't have any suggestion

Change the timing. Making sure that everyone gets to go to library without time rush because of their routine. Also the office worker should be more on time since some time we need to wait long hours for them to be there and that hinders with our routine and things to get done for the day.

Both the library and office should open on time.

The timing should be from either 9:00 or 9:30 in the morning and close at 3:00 to 3:30 and please update the books and improve the wifi connection

Punctual polite behavior

Open the office on time

No suggestions as for now

I don't knows

Put one more xerox machine in the library

I think they should be more welcoming to everyone

Nothing to complain

To open a little earlier and more spacious.

Please be fast sometime.

The timing should be 9 am for both

I would suggest them to be a little punctual in their duties

More updated books because most of the books are very old and outdated.

Please include more general knowledge books and general

Hope there can be more books

Open a little early if possible

Send the link for fee payment if not improved the procedure for challan

Books have to be taken care of. Students who destroy books should be fined.

If the library is open during the morning shift hours it will be really helpful

If the library hours could be open 24/7, it would really feel like a library. With the limited time and uncertainty of college hours

Punctuality and reliability.

More space maybe 🧑🏻

I don't have any suggestions

No idea

According to me the library staff and the office staff they are always doing good with their works, so I don't have any suggestion

I improved my self in college

Please stop the library book fine fees.

Library should be open all the time

More time to get access to the office.

To be punctual

....

Library timing and the issuing of books

To be more punctual

Fixed timing for opening the college office

It will be great if we have late access to the library after classes

Na

To open the college office earlier than they usually open during the payment of fees of

The library is good

Career counseling programs, internships opportunities for placements

No sir

Office and Library hours should expand a little bit as classes starts at 7:45 and their open hours is from 10:00 and with the staffs sometimes being 30 minutes late and in addition to that would take a tea break of ½- 1 hour

need to keep more Books

No i dont have any

Since, students breaks are not same, reaching and doing our own things in the office is not sometime possible since there are alot of students

Everything is good

-

Be good

Nothing to suggest

Please buy some books... NEW EDITION

No suggest

It's a humble request ma'am/Sir please ask the man on the counter who gives chalan to be a Lil faster as he's too late

The college office should be helpful to the students not to neglect their needs

All are good

Very good

Everything is is nice I don't know about gym but fir me other part of the college is a very good

Toilet not that good its smelly, canteen is not so good

No comments.

Hostel should provide lunch for hostellers.

It's fine

Everything is good.

College facilities is satisfactory.

The rooms should be properly ventilated and most of the window panes should be fixed. The washroom should be clean.

Gym should be improved, need more equipments and tools and library staff need to be more helpful and supportive

X

There should be proper ventilation in the classrooms and washroom should be clean.

Overall good

Hostel food should be good and gym equipments should be available and in good condition so that students can use it

All facilities are good

Chemistry laboratory should be improved since Cleanliness is a serious problem and when we perform experiments due to lack of clean instruments to use we don't get correct results and it

is a problem. Hostel food should be improved and current for charging should be given more also the hot water timing in the morning should be more since there's a lot of us and one hour is not enough. Gym equipment should be available for us to use. Lawn tennis courts is just a name right now so we would like to have available sports material for that.

All good

The toilets in the college stink and the bolts of the doors need to be fixed , the hostel food is really not good the dal is too watery and they should adopt a new healthier menu , the gym is just too condjusted and the equipments in the hostel gym are not functioning at all . The sports facilities available are really a fe the lawn tennis court is there just for namesake because we do not have any equipments to play there . The hostel timing for providing hot water to bath in the morning is not enough they should atleast give it for 2 hours because there's a lot of us and the line is too long by the time we get water it's time for breakfast and we have classes starting from 8:30 so it's difficult to manage.

I get more knowledge

Hostel food should be improve a bit.

Laboratory

Nice

As for me I found that Everything is satisfied ..except toilet ..and Net ..

Washroom buckets should be replace with new ones

Yes,it was quite good

Good but need to make more space.

The facilities in Lady keane College is good 👍

Sports is good .. everything is fine

Canteen need tobe more clean should not be filled with water during raining.Canteen staff should dress neatly. Their cooking space need to be clean and their utensils too. Paint the wall. Benches are not sufficient.

Toilets are dirty and the buckets and mugs are so dirty can't even touch them to pour water. Toilet need to be repaired like doors, wall pain and the mirror need tobe clean.

Most part of the college are dirty right from the main gate so much of dogs poop, plastics. The college need to have a new paint .

Lady keane has the best in all of these and I think department toilet in each department is required

Sports facilities

classrooms are good,laboratories fine ,i dont live in hostel ,i never go to a gym.

The benches are not smooth so please allow writing boards for tests and exams.

Laboratories should be larger, Hostel shared rooms are a little small ,paid for wifi but can't used ,washrooms need renovation

Insufficient number of washroom which results in crowd aggregation during class hours at washroom

All facilities are adequate

No comments.

Classroom was dusty

WiFi is too slow and it's equivalent to not having WiFi.

They should give more classroom to the BTTM department when both the classroom are used by other semester there is no room. For the other semester

To provide more classroom especially in our department and more books related with our course

Everything is fine And good

Satisfactory

The gym is too congested I would be nice if the gym gets a bigger space

Most of the facilities are adequate for its purpose, but hostel it seems there is no sufficient seat. And it will be great if there is wifi available in the library and mobile net is quite poor in the area.

Everything is good

As for now no comments

Some classrooms need repairing of the ceilings. Water dripped through those majestic holes during our examination.

Library too small

They're all good

Satisfied

Some of the classrooms are very dusty and we often have problems with it.

It's very good and cheerful

Hostel

Im well satisfied with all the facilities

They are good

Gym has not much space and the toilet is not cleaned, the floors of toilet is always dirty

Classrooms are good but during rain there is a leakage, don't know about laboratories, I don't stay in hostel, best place to study , good , good .

As I'm a hosteler so I would like to talk about a hostel.A Lady Keane College Hostel is good.I think all of the hostellers find comfortable in hostel.

Lady keane college is a good college it provides students beneficiary needs and hve a proper facilities

Perfect

I

Good.

Dancing class

Good...

Hostel : water facilities ,we get water only 2 hrs in a day ie, only in evening time

Everything was good

The toilet Cleanliness is of great concern now and with great traffic from people coming in and out every single day the toilet should be cleaned properly so as not to cause spread of germs and disease.

College teach me lot of things not only study also the values, and the teachers were so good.

The thing that I have wanted to say have all been said above other than all in all it was a good experience studying here

Feeling Lucky that I've got a chance to study at LKC ..as for Now also im still missing ..because i have done my studies from there ..the relation between us and teachers the way we shared the way they helped us ..and everything were perfect and I have experienced a lot of things related to life like Dignity 'they taught us the way we should respect others the way we. Should live our life .I just want to express that .They had moulded our life in such a way that was beyond my expectations ..I thank God for everything and that He had open the way for Me to study there ..Once again I Thank God For Everything.
