

A Skit on
“The Life of Rabindranath Tagore”
B.A IV SEMESTER
Department of Education, 2023

Objectives of the Programme:-

1. To help Students from being passive recipients to active participants in the classroom.
2. To convert classrooms from rote learning spaces to more active, engaged spaces.

Can learning be made fun?Yes!!Can we remember a topic we do in college not only by reading through books? Indeed we can...!!

The students of Education honours, B.A IV Semester 2023 have proved it right by bringing out their creativity and hidden talents through this Short Skit on” The Life of Rabindranath Tagore"

Let’s take a sneak peek into what they all did....

Rabindranath Tagore was an eminent poet,philosopher, social reformer, writer ,composer and an educationist,who transformed conventional education and became famous across the world ...Tagore has made an immense contribution towards

society and his life has greatly inspired many...

In order to understand more about Tagore and his educational thoughts and practices, the Students has played the role of Tagore .

The students took keen interest in enacting their respective roles of Tagore(As a young boy and an adult Tagore), his siblings, Tagore's teacher, his tours to London, Shantiniketan, His Awards, etc...

The students ended the skit with Tagore's Bengali song entitled
“ Ekla cholo Re...”

The memories made through the hours of practise, the bond the students shared by spending quality time together has not only helped them learn more about Tagore but has also enhanced their confidence level, developed communication skills and build team work amongst themselves...

Well Done Girls!
