13. Digital upgradation, introduction of more Career Oriented Courses, publicize College achievement to attract more students.
14. Infrastructure should be improve to uplift the College to a higher level and attract more students.
15. It is time for digital upgradation. Free Wi-fi is a must for all students and teachers. Skill based which are job oriented courses must also be introduced to make students financially independent.
16. To provide proper Wi-fi (internet connection). To make more space in the Library.
- 17.
18. More courses relevant to job market should be made available. Programs leading to overall development of personality for students. Better infrastructure.
19. More job oriented course should be opened.
20. Improvement in infrastructure. Introduction of Commerce Stream.
21. Open new courses that are Career Oriented.
- 22.
23. With time there are many things needed for a change which will improve the College academic strength.
24. Post COVID pandemic, more activities need to be organised by the Alumni and where the Alumni ensure fully participation in the various programs organised. Alumni participation is a must.
25. At present the College is doing very well. I hope that it will still continue its good work under the able leadership of all the teachers, Professors, etc..
