

REPORT OF THE DISASTER MANAGEMENT CELL FOR 2023 – 2024

The following are the important events that the Disaster Management Cell had undertaken in the period 2023-2024:

1. One Day Workshop on "Disaster Management"

Date: 18th June, 2024

Time: 10:00 AM onwards

Venue: Lady Keane College, Shillong

Overview: The one-day workshop on "Disaster Management" organized by the Disaster Management Cell of Lady Keane College, Shillong, was held on 18th June 2024. The workshop aimed to enhance awareness and preparedness among participants regarding various aspects of disaster management.

Programme Details:

Session - 1 (10:00 AM - 11:30 AM) The workshop commenced with the first session focusing on the fundamental aspects of disaster management. Smt Kyntiewlin Wanniang, District Disaster Management Officer attached to the State Disaster Management Authority, served as the resource person. She provided insights into the definition of hazards, their classification, and the significance of the Disaster Management Act 2005 in managing disasters effectively.

Session - 2 (11:40 AM - 01:00 PM) Following the break, Smt Molvareen Langstieh, Assistant Professor from the Disaster Management Cell at MATI, conducted the second session. This session concentrated on guidelines for managing specific disasters such as floods, cyclones, and earthquakes. Smt Langstieh emphasized the institutionalization of disaster response mechanisms to mitigate the impact of these disasters.

Session - 3 (01:30 PM - 03:00 PM) The final session of the workshop was conducted by Smt Pynbianglin Lyngba, Disaster Management Officer for East Khasi Hills District and Ri-Bhoi District. Smt Lyngba delved into the roles and responsibilities of various departments during emergencies, emphasizing emergency support functions crucial for effective disaster response.

Overall, the workshop was successful in achieving its objectives of educating and empowering participants with the knowledge necessary to contribute effectively to disaster management efforts in their respective capacities.

2. Practical Session on “The Use of Firefighting Equipment”

Date: 24th July, 2024

Time: 01:00 PM onwards

Venue: Sport Complex, Lady Keane College, Shillong.

As a follow up of The one-day workshop on "Disaster Management" on the 18th, June, 24 a Practical Session on “The Use of Firefighting Equipment” was conducted on 24th July 2024 at the Sport Complex, Lady Keane College, Shillong.

The session was facilitated by Mr. Merimee Rymbai, an Assistant Fire Protection Officer (AFPO) from the Fire and Emergency Services (F&ES) Headquarters in Shillong. Mr. Merimee Rymbai began the session with a brief introduction to the importance of firefighting equipment in preventing and controlling fire emergencies. He emphasized the need for proper training and awareness to effectively use the equipment in real-life scenarios.

Following the introduction, Mr. Rymbai provided a detailed demonstration of each piece of equipment. He explained the specific use, cases, advantages, and limitations of different types of fire extinguishers.

Participants were given the opportunity to practice using the firefighting equipment and each participant was encouraged to practice multiple times to gain confidence and proficiency in handling the equipment.

The session concluded with an interactive Q&A segment where participants had the opportunity to ask questions and clarify doubts. Mr. Rymbai addressed various queries related to fire safety, equipment maintenance, and emergency response strategies. The participants appreciated the detailed insights and practical tips provided by Mr. Rymbai.

Overall, the practical session on “The Use of Firefighting Equipment” was highly informative and beneficial for all participants. It provided valuable knowledge and hands-on experience in using firefighting equipment effectively. The session was well-received, and participants expressed their gratitude for the comprehensive and engaging training.
