

Felicitation cum freshers' Programme

The Department of Mathematics, Lady Keane College on 26.08.2023, hosted a joint Felicitation Programme for Successful Students and a Freshers' Programme to honor the achievements of the students who excelled academically in the previous year and to welcome the incoming batch of freshers. This dual event was designed to celebrate academic excellence, motivate the new batch, and foster a sense of unity and camaraderie among students.

The event was held at [insert venue], and it was attended by students, faculty members, and the Principal of the College. The programme provided an opportunity for students to celebrate their achievements while setting the tone for the freshers entering the college, guiding them toward their academic journey.

Objective of the Programme:

To honor and recognize the achievements of the successful students who excelled in their academic pursuits in the previous year.

To welcome the freshers and orient them to the college's academic culture, values, and traditions.

To create a platform for interaction between senior students and freshers, encouraging mutual learning and collaboration.

To inspire and motivate the freshers to aim for academic excellence, following the example set by the senior students.

Highlights of the Event:

The Principal of the College, Dr. D.K.B. Mukhim, delivered a speech by congratulating the successful students and welcoming the freshers. He emphasized the importance of maintaining academic integrity, engaging in extracurricular activities and building a balanced life. He encouraged the freshers to make the most of the opportunities offered by the College from academic to co-curricular engagements.

Felicitations of Successful Students:

The core highlight of the event was the felicitation of successful students. Students who had demonstrated exceptional academic performance in their respective disciplines were honored with mementos. Faculty members took turns acknowledging the hard work, dedication, and determination of the awardees. Each successful student was invited to the stage, where their academic achievements were recognized and celebrated by the faculty and fellow students.

The successful students expressed their gratitude to the faculty and their peers for their support throughout the academic year.

Speech by Senior Students:

To inspire the freshers, Phindarishisha Kharbangar, on behalf of the outgoing students, shared her experiences and gave valuable advice. She spoke about the importance of discipline, time management, and the value of seeking help when needed. The stories shared by the seniors resonated with the freshers, motivating them to engage fully in their academic journey.

Introduction of Freshers:

Following the felicitation, it was time to welcome the freshers. One of the key moments of the event was the formal introduction of the incoming batch of students. Each fresher was asked to stand and briefly introduce themselves to the audience, mentioning their course of study, hobbies, and expectations from college life. This not only helped the freshers feel welcomed but also promoted a sense of belonging within the college community.

The freshers were also introduced to their respective senior mentors—students who would act as guides, helping them navigate through academic challenges and offering support during their initial days at college.

The speech also highlighted the college's ethos of promoting holistic development, fostering a culture of respect, collaboration, and inclusivity among students.

Cultural Programme:

To add an element of celebration and warmth, a brief cultural programme was organized. The performances included music, dance, skits, etc, with participation from all students. These performances allowed the new batch to integrate into the college community while showcasing their talents and creativity.

Interactive Session :

An interactive session followed, where freshers had the opportunity to ask questions to the successful students and faculty members. Topics of discussion included managing academic pressure, balancing studies with extracurricular activities, and tips for personal development. This session created a friendly and open atmosphere, helping the freshers feel more at ease.

Closing Ceremony

The event concluded with a vote of thanks by a faculty of the Department, Ms.I.Kharkongor, who expressed gratitude to all participants, faculty members, and students for their contribution to the success of the programme. The event ended with a refreshment provided by the Department, where students had the chance to mingle, network, and interact more informally.

Observations and Reflections

Inspiration for Freshers: The felicitation ceremony was a significant motivator for the freshers, as they were able to witness the hard work and perseverance required to succeed in the college. The speeches from successful students and faculty members offered practical advice and encouragement, which is likely to guide them through their own academic journey.

Sense of Unity: The dual nature of the event—celebrating the success of seniors while welcoming the new batch—helped create a sense of unity and shared purpose. It encouraged interaction between freshers and seniors, helping to break the ice and establish a harmonious environment within the college.

Empowerment of Successful Students: The felicitation programme gave the successful students a sense of recognition and validation for their hard work. The awards and certificates were a testament to their dedication and served as a reminder of the importance of academic excellence.

Promoting College Spirit: The cultural performances and informal interactions helped to foster the college spirit among both the freshers and the senior students. It allowed everyone to feel a sense of community and pride in being part of the institution.

Conclusion

The Felicitation Programme for Successful Students and the Freshers' Programme successfully achieved its objectives by recognizing academic excellence, motivating the incoming batch, and fostering a sense of belonging and camaraderie among all students. It was a meaningful occasion that highlighted the college's commitment to both academic achievement and holistic student development.

The event not only inspired the freshers to pursue excellence but also created a sense of pride and encouragement for the successful students, while making the freshers feel supported and welcomed as they embarked on their new academic journey.

Acknowledgments:

The faculties of the Department would like to express our sincere gratitude to the Principal of the College for giving permission to hold the programme and the students who worked tirelessly to make this event a success.
