

DEPARTMENT OF ECONOMICS

Field Trip on “Entrepreneurship”

The Department of Economics went for a field trip to Er-Pyngngad Park, Umbir, Ri-Bhoi District on the 25th May, 2025.

OBJECTIVE:

The objective of this field trip is to give exposure to the students on activities that connect to business and creativity. Through this field trip, the students are also able to observe entrepreneurial activities inside the park.

OUTCOME:

The outcome of this field trip is that students’ knowledge regarding entrepreneurship has enhanced especially in the field of mini business-like small shops selling crafts or snacks which are inside the park. Students are also able to learn about the customer service first hand. They are also able to understand customer interaction better.
