Fund Raising Programme_NCC

The College Extension services has organised a one-day Fund Raising Programme on the 17th May, 2023 in aid of an orphanage/old age home as part of the social outreach programme of the Cell, and we are thrilled to have actively participated in it. Our NCC unit took the initiative of setting up a Tea and Snack stall during the programme to generate funds and thanks to the collective efforts of our NCC members, we were able to collect an amount of Rs. 1,110, which we hope will make a positive difference in the lives of those in need.

This programme turned out to be a resounding success, and we owe this success to the support we received from the staff and students of the college. Their presence and generous purchases played a crucial role in making this initiative meaningful and impactful. On behalf of the NCC unit, we would like to extend our heartfelt gratitude to the Principal of the College and the Convener of the Extension Services Cell for giving us the opportunity to be a part of this one-day fund raising programme. We look forward to future opportunities to participate in similar meaningful events that contribute to the betterment of society.
