ATTENDED BY: 2nd Semester Students

TOTAL NUMBER OF PARTICIPANTS: 262 (259 Students, 1 Resource Person,
1 College Counsellor and 1 IQAC Assistant)

Session Details:

A gender sensitization discussion was facilitated with the Students of Lady Keane college on the 9th May 2022 by Miss Mayfereen RYNTATHIANG to initiate discussions around gender equity.

She probed the students to think beyond women and men but to rather look at opportunities there are for both genders. This topic was especially talent into account to drive away the concept of being weak or strong as a woman or man. Miss Mayfereen also stressed on the gender based violence like rape, domestic violence and other forms of violence against women which stems from patriarchy

This session was welcomed with questions from the students of why there are rules for women and more so for women. Mayfereen answered that it could be rooted by patriarchy and its concepts of putting men on a pedestal and women taught to be submissive.
