

Report on Igniting the Entrepreneurial Spirit: The MadScientist Way Through Emerging Technologies

Organized by The Entrepreneurship Development Cell, Lady Keane College

In Collaboration with

The Computer Science Department, Lady Keane College, and Prime Meghalaya

Date: 17th September 2024

The Entrepreneurship Development Cell of Lady Keane College, in collaboration with the Department of Computer Science and Prime Meghalaya, organized a highly engaging and insightful session titled 'Igniting the Entrepreneurial Spirit: The MadScientist Way Through Emerging Technologies' on the 17th of September 2024. The event aimed to inspire students to embrace innovation, navigate entrepreneurial challenges, and leverage emerging technologies to create meaningful impacts in the startup ecosystem.

The event commenced with a warm welcome by the host Dr. Juniorika Lyngdoh, who set the tone for the session by emphasizing the significance of entrepreneurship and innovation in today's world.

The gathering was honored by the presence of our esteemed Vice Principal, Dr. A.M. Shangpliang, along with the visionary founder of MadScientist, Mr. Bhanu Kiran Mergoju, and Co-founder Mr. Srinivas Siliveru. The Vice Principal addressed the audience, sharing words of encouragement and highlighting the importance of fostering an entrepreneurial mindset among students.

The highlight of the event was an inspiring talk by Mr. Bhanu Kiran Mergoju, the founder of MadScientist. His address shed light on his entrepreneurial journey, which began immediately after graduation, when he started working on small satellites for space debris detection in low Earth orbit. His unwavering passion for technology and innovation led to the inception of MadScientist, a revolutionary platform dedicated to reshaping the way people interact with technology and share information seamlessly.

During his session, Mr. Mergoju discussed the critical role of emerging technologies in modern entrepreneurship, emphasizing how they can be leveraged to create groundbreaking solutions. He encouraged students to pursue their entrepreneurial dreams with resilience, creativity, and a problem-solving mindset.

As the session concluded, the host expressed gratitude to Mr. Bhanu Kiran Mergoju for his thought-provoking and insightful presentation.

The event concluded with a heartfelt vote of thanks, expressing deep appreciation to all individuals who contributed to the success of the session, Dr. D.K.B. Mukhim, Principal, Lady Keane College, for his constant support and encouragement, Dr. A.M. Shangpliang, Vice Principal, for her valuable insights and gracious presence, Mrs L Sakhar, HoD Department of

Computer Science for her unwavering continuous support and Dr. K. Mawkdoh, Convener of the Entrepreneurship Development Cell, for his hard work and dedication in organizing the event, Faculty members and staff, for their continuous guidance and support, technical team members, Laithphar and Uncle Prakash, for ensuring smooth projection, sound, and other arrangements, Students, for their enthusiastic participation, making the event a resounding success.

The event successfully ignited a spark in the minds of young aspiring entrepreneurs, encouraging them to step forward and create the future they envision.
