Department of Computer Science
Induction program
1st October, 2024

Report

The Department of Computer Science hosted an inspiring and well-structured **Induction Programme** for its students on 1st October 2024. The event aimed to welcome new students, recognize achievements and set the tone for a fruitful academic year.

The programme commenced with a prayer by Mrs. Lizia Shakhar, Head of the Department of Computer Science, who filled the auditorium with peace and purpose. This was followed by the uplifting rendition of the **College Anthem**, which resonated with pride and unity among the attendees.

The **Welcome Address** was delivered by Mr. M. Hoque, Host of the programme, who warmly greeted the students and highlighted the department's commitment to academic excellence and holistic development.

A **Motivational Speech** by our beloved Principal Dr. D. K. B. Mukhim, highlighted the event, inspiring the audience with powerful insights on perseverance, innovation, and achieving their full potential.

The program then celebrated the department's academic achievements with a **Felicitation Ceremony** for the University position holders. Their hard work and dedication were applauded. However, their apologies for not being able to attend the programme were accepted.

A melodious **Group Song** by the talented 5th-semester students added a cheerful and unifying note to the proceedings.

A special **Speech on Academics** was delivered by Mrs. Lizia Sahkhar providing an overview of the department's curriculum, learning resources, and opportunities for skill enhancement.

Dr. A. M. Shangpliang, Vice Principal, Lady Keane College addressed and encouraged students to strive for excellence. Students with **100% Attendance** during the even semester were acknowledged and rewarded, encouraging consistent participation and commitment to academic activities.

The ceremonial **Investiture** of the **Head Girl** and **Class Representatives (CR)** followed by the **Tech HUB Club** were also formally invested, emphasizing the importance of extracurricular involvement in technical and creative pursuits.

Certificates for completing the **IoT Certification Program** were handed over to deserving students, showcasing their enthusiasm for acquiring industry-relevant skills.

To familiarize students with the campus and department activities, two engaging **Video Presentations** were showcased – one on the Campus Tour and the other highlighting key achievements and initiatives of the Department of Computer Science.

The event concluded with a heartfelt **Vote of Thanks** by Ms. Janailin Warjri, expressing gratitude to the dignitaries, faculty members, and students who contributed to the success of the program.

The Induction Program left a lasting impression, motivating students to excel in both academics and co-curricular activities, and fostering a strong sense of community within the department.

M. Hoque

In-charge of the programme
