

## **Brief History:**

- The Lady Keane College Alumni Association (LKCAA), Shillong, first came into existence during 1944-1945, after establishment of the Lady Keane College in 1935. After a period of quiescence, due to reasons unknown, the Association was revived in 1986 during the Golden Jubilee celebration of the College. It was since 2004 that it became active, being inspired by the then Principal Ms. A. M. Marbaniang and under the very capable leadership of the former President of the Association, Smt. R. V. Suchiang, IAS (Retired), presently the State Chief Information Commissioner (CIC).
- Like other alumni associations, the LKCAA is an association of Past Pupils of the Institution. It is not just the re-union of the past pupils visiting the Alma Mater but also to refresh old cherished memories – the ability to have memories and friends. Its mission, vision, goals and objectives are to improve the academic stature and welfare of the students in the College, to strengthen the bonds and maintain strong links between the Alumni community and the College.
- To increase its area of service, the Association presents awards annually to meritorious final year students, viz. Best Graduate in Arts; Best Graduate in Science; Smt. Mandira Choudhary award for securing highest marks in B. Sc (Mathematics Hons); Dr. Ira Choudhary award for securing highest marks in B. Sc (Physics Hons).
- The Association has collaborated with the College in extending financial assistance to the skilled Certificate and Diploma courses in Khasi Traditional Music offered by the College since 2011.

## **Aims and Objectives:**

The Association is dedicated to supporting and thus plays a crucial role in upholding the College's mission of "Excellence with Integrity". Key Aims and Objectives include:

- To upgrade and improve the facilities of the College to support development.
- To promote the welfare of the college students and the College as a whole.
- To support the endeavors of the College in achieving its goals.
- To encourage the Alumni members, Faculty and Students to foster a lifelong relationship with the College.
