21. If you have any grievance or suggestion please mention below

6 responses

The Library is in need of Computers with fast internet connectivity and inverter for uninterrupted power supply

I think that there must be equal distribution of work and equally paid ,among us working in the same grade.

No comments

Sometimes I have to work during odd hours.

No

Respect amongst the staffs (teaching and non teaching) is very needed. Improved benefits for college post office staff is important.
