

NATIONAL DEWORMING PROGRAMME (NDD)

National Deworming Day is conducted in our college on the 23rd to 28th of October 2024 for all the students of Class XI and XII Arts and Science with an aim to intensify efforts towards eradicating STH (Soil Transmitted Helminths). MOP Up day was held on the 29th of October 2024 which was meant only for students who are absent or missed the initial administration of the tablets on the above mentioned dates.

Under this programme, NDD aims to administer Albendazole tablets to students below 19 years of age in order to improve their overall well being and nutritional status.

The total no of students who received albendazole administration: 108
