

NATIONAL DEWORMING PROGRAMME (NDD) APRIL 2025

National Deworming Day is conducted in our college on the 23rd of April 2025 for all the students of Class XI and XII Arts and Science who are under the age of 19 years with an aim to intensify efforts towards eradicating STH (Soil Transmitted Helminths). MOP Up day was held on the 24th of April 2025 which was meant only for students who are absent or missed the initial administration of the tablets on the above mentioned date.

Under this programme, NDD aims to administer Albendazole tablets to students below 19 years of age in order to improve their overall well being and nutritional status.

The total no of students who received albendazole administration: 203
