

Report on Group Presentation

B.A II Semester

Department of Education.

Objectives of the Programme

1. To enable the students to improve their knowledge and understanding of the topic taught in class.
2. To help students gain confidence and improve communication skills.

The Education Honours students of B.A II Semester took part in Group Presentation which was held on **13.5.2023**. The students were divided into groups and each one was assigned with a topic which they had to present.

The topics included for Presentation are Idealism and Pragmatism from Paper II (Foundation of Education).
