

Report on
Activity Based Learning
B.A V Semester

Objectives of the Programme

1.To enable the students to have a clearer and practical understanding on the topic “Pre School Education” through activity based learning

In order to make teaching-learning more interesting and more participative and to move away from one way teaching and rote learning ,the Activity based learning was conducted on the 27th of August , 2022 .The Education Honours students of V Semester keenly took part in the Activity to have a clearer understanding on the meaning of Pre School education .
