

Report on Study Tour from the Chemistry department 2022-2023

As part of the curriculum, the Department of Chemistry Lady Keane College, Shillong organized a one-day Science popularization programme on the 31st March 2023 at Kyntiew Shaphrang Higher Secondary School, Laitlyngkot Village of East Khasi Hills of Meghalaya. The honours students, teaching faculty as well as the laboratory attendants of the Chemistry department were actively involved in conducting the science popularization programme by demonstrating simple basic science experiments for the class 10 students of the school. Poster competition for the honours students was also conducted and the winners were awarded with certificates. The programme was successful and it was a wonderful learning experience for the chemistry honors students as well as the class 10 students of Kyntiew Shaphrang Higher Secondary School.

Objective of the programme: To popularize science subjects among the school students.

Participants of the programme: Altogether, 7 teaching faculty, 37 honours students as well as 2 laboratory attendants of the Chemistry department took part in the programme. From the school, the Headmaster, one science teacher and around 40 students were in attendance. The following are the names of the honours students who took part in the programme:

1. Amica Bonanza Papang (poster presentation)
2. Laiamonlang Sohtun
3. Ilawanbet Tangsong
4. Bapynhunlin Lyngdoh
5. Bafeenriakor Nongsiej
6. Ilakordor Thabah
7. Nanbasuk L Nonglait
8. Balinsha Shabong
9. Dapkmenlang Khongwar
10. Roinon Jugli
11. Tipdahun Makdoh
12. Daiahun Manner
13. Ibadahun Kharmalki
14. Banity Lamare
15. Larishisha Mawlong
16. Anita Rabha
17. Deepanjoli Rabha
18. Aibanrilang Marngar (oral presentation)
19. Lucy Mary Khyndeit (oral presentation)
20. Ibanrikynti Sun (oral presentation)
21. Naphisabet Shadap (oral & poster presentation)

22. Dolly Careen L Mawphlang (oral & poster presentation)
23. Nibakor Jyrwa (oral presentation)
24. Darimeka Marbaniang (oral presentation)
25. Banamesha Syiemlieh (oral presentation)
26. Esha Goutam
27. Wanhunlang Nongsiej
28. Phibapyntngen L Nongbri (poster presentation)
29. Pinky Pamshong
30. Ibanpynhun L Nonglait (poster presentation)
31. Wandashisha Nongbri
32. Nisha Singha
33. Aidalin Kharumnuid
34. Katherine Umsong
35. Roshni Bopi
36. Komlu Mite
37. Ilarisha Mawlong (poster presentation)

The names of the winners in the poster competition were

1. Ilarisha Mawlong
2. Ibapynhun L Nonglait
3. Amica Papang

Outcome of the programme: After the display of science experiments and posters by the Chemistry honours students of our college, the school students were enthusiastic and showed eagerness with curiosity to learn more about applications of science in various fields. The programme has really motivated the school students and instigated them to show an interest in science.
