YUVA Tourism Club:

The Ministry of Tourism in India aims to leverage its large youth population and demographic dividend by launching the "YUVA Tourism" campaign in 2022 as part of India@75 celebrations. The campaign's central initiative involves creating Tourism Clubs targeting schools, colleges, and working-age groups. The objectives of these clubs include educating young minds about India's diverse cultures and geography, fostering an appreciation for the educational value of travel and tourism, promoting responsible tourism practices, and training students as skilled tourist guides and hospitality volunteers. The clubs will also facilitate better coordination for study tours and student exchange programs, encouraging youth to explore the country's tourism opportunities early on.

The YUVA Tourism Club of Lady Keane College was inaugurated on 28th May, 2022, in the present of the Principal of the College Dr. D K B Mukhim, Faculty Coordinator Mr. Wanpynsuk Makri, Head of the Department of Tourism and Travel Management Miss. Montimon Diengdoh, Mr. Londoner Murphy Sohtun (Asst.prof) Department of Tourism and Travel Management, Mr. Sushant B Surong and Miss. Hakamelamphylla Mawroh (Asst.prof) Department of Tourism and Travel Management.

The proposed activities by these Tourism Clubs align with the government's vision and include organizing various competitions to foster creativity and engagement, integrating travel and tourism into the educational curriculum, and promoting sustainable and responsible tours in line with the Sustainable Development Goals (SDGs). These tours will aim to minimize their impact on natural areas while providing opportunities for travelers to interact with local communities and understand their cultures and traditions. Furthermore, the clubs will encourage tourism during off-peak periods to boost local economies, combine tourism with various tournaments to engage students in exciting activities, and discover lesser-known destinations, providing travel itineraries and tourism potential information. The use of social media feedback will also play a role in marketing Indian destinations and attracting more visitors to explore the country's rich natural and cultural heritage.

YUVA Tourism Club Members:

As per the instruction provided by the Ministry of Tourism Government of India, the tourism club members would be headed by one faculty and a student coordinator, responsible for functioning of the club. Member would consist of students with criteria of selection and limit decided by the institution, and the tourism club at this level to have minimum 25 student's members.
